CLERK SUPREME COURT

The Electronic Document Management System (EDMS) governed by chapter 16 of the Iowa Court Rules has been successfully implemented in districts courts across the state. In addition, the appellate EDMS system has been piloted in existing cases for almost two years and has been piloted for initiating new appeals over the past several months. The court appreciates the willingness of attorneys and self-represented parties who have worked with the Supreme Court Clerk's office during this pilot period.

Beginning February 1, 2016, all appeals will be filed through the EDMS system with the Supreme Court Clerk's office. Chapter 16 of the Iowa Court Rules continues to govern the use of electronic filing in the appellate courts.

Dated this 21st day of January, 2016.
